

Victorianne

{tab=Victorianne}

Attractively Like San Francisco, within the enclave of La Posada, Victorianne offers a second chance at living in a San Francisco-themed development that is both dynamically hip and quaintly Old World.

Victorianne's attraction is readily seen. The neo-Victorian architecture brings to mind San Francisco's famous Postcard Row.

Pleasantly, surprisingly, Victorianne is nearby Sucat, a thriving enclave of Brittany Bay. And it is close to The Wharf. Brittany Bay's lifestyle area, the leisure destinations of the south, and the central business districts of Alabang and Makati.

The inspiration in San Francisco. The location is conveniently close. The masterful planning is distinctly Brittany.

This is Victorianne. Beautiful.

Victorianne offers the SFO townhouse lifestyle minus the cramped feel.
